

Appl. No. 10/790,186

Remarks/Arguments

In an Examiner's Amendment set forth in the Notice of Allowability mailed May 16, 2006, the Examiner amended claim 1. However, in that Examiner's Amendment, the Examiner duplicated the phrase "an initial range of velocity values and" in claim 1 (previously claim 106). Thus, this Amendment After Notice of Allowance is being submitted to correct the typographical error in claim 1, in accordance with 37 CFR 1.312. Since no new matter has been added, it would be appreciated if the Examiner would indicate the acceptance of this amendment in the next office communication.

Should the Examiner have any questions regarding this amendment, it would be appreciated if the Examiner would contact the undersigned attorney of record at the telephone number provided below.

Respectfully submitted,

DOWELL & DOWELL, P.C.
